

Thank You

In honor and appreciation of our guests and in memory of Anna's grandparents, Mary Jane and Donald Bride, we have made a contribution to the Susan G. Komen Breast Cancer Foundation and the Alzheimer's Association.

As we begin our new life together, we thank our family and friends for their love and support. We are so grateful to all of you for standing beside us throughout our lives and especially here on this joyous occasion.

With love,

Anna and Dennis

The Reception

Welcome to the Morning Glory Inn! Built in 1862, this Italianate style row house provides a unique venue for our celebration. Immediately following the ceremony in the courtyard, please join us for a champagne toast. After the toasts, our photographer will take a group photo of everyone in attendance, so smile at the camera!

Dinner will be served in a station format, which will allow our guests to mingle with each other and explore the Inn and its courtyard. After dinner, please join us as we cut our wedding cake and begin an evening of dancing under the stars!
